Disclosure and Other Information

Pricing - Securities prices may vary from actual quotation value. Prices shown should only be used as a general guide to portfolio value. Prices are not set from without pricing sources. However, pricing services are sometimes unable to provide timely information. Where pricing sources are not readily available, particularly on certain listed securities, estimated prices may be provided by a market system listing services factors into consideration. The pricing of listed options takes into account the bid-ask spread, as well as the current bid and offer prices. Where no bid-ask spread has been provided, such securities have not been included in the Asset Allocation information at the beginning of this statement.

Foreign Currency Transactions - Purchasing any foreign currency transactions are processed by your account. Purchasing may automatically convert foreign currency to or from U.S. dollars for dividends and other corporate action transactions unless you instruct your financial organization otherwise. Purchasing foreign currency conversion rate will not exceed the highest foreign currency conversion rate identified from currency trading sources on the conversion date or the prior business day, measured by up to 1% unless a particular rate is required by applicable law. Your financial organization may also increase the currency conversion rate. If the conversion rate they offer from rates is added on the date you executed a transaction, incurred a charge, or received a credit. Transactions converted by agents (as it is negotiated) will be billed at the rates such agents use.

Share Value - Securities held by you or margin (securities not fully paid for by you) may be sold by Proceeds to itself or others in accordance with the terms outlined in the Margin Agreement. The right to vote your shares held on margin will be reduced by the amount of shares on loan. The Proxy Voting Instructions form sent to you may reflect a smaller number of shares entitled to vote than the number of shares in your margin account.

DECLARATION OF HELEN LUMPUY
PURSUANT TO 28 U.S.C. §1746

I, the undersigned, declare under penalty of perjury, pursuant to the laws of the United States of America, that the following is true and correct:

I am the Chief Compliance Officer of Global Investor Services L.C. ("Global"). Global is a licensed broker under the laws of the United States. I work in Global's office located at 777 Brickell ave , Miami , Fla. 33131.

I hereby submit this declaration (the "Declaration") in support of the proof of claim filed by Wendy John (the "Claimant") against Lehman Brothers Holdings Inc. ("Debtor") in its chapter 11 case before the United States Bankruptcy Court for the Southern District of New York, Case No. 08-13555 (JMP), identified by Claim No. 43187 (the "Claim"), which Claim was included on Debtor's 418th Omnibus Objection to Claims (the "Claim Objection").

I have personal knowledge of the matters set forth in this Declaration from my review of the documents held by Global and am duly authorized to execute this Declaration on behalf of Global.

On or about June 8, 2008 Claimant submitted a notice to redeem all of her holdings in certain securities held in her account 3lw-421616 identified as Lehman Brothers Treasury BV notes issued by Debtor ("Securities").

The Securities are further identified as:

Acct: 3lw-421616
Security delivery: 08/18/2008
Quantity: 20,000
Delivered to: EUROCLEAR 92904 LEHMAN BROTHERS
isin # XS0137335468 cusip N5213ACT9

EUROCLEAR REFERENCE #: 7028783

The notice of redemption was submitted by Claimant through Bridge Asset Management. (See Exhibit A, a true and correct copy of the notice of redemption.)

The notice of redemption was duly forwarded to Global who acted as Introducing broker for Claimant's account custodied at Pershing, LLC .

Claimant's account was debited in the full amount of the redemption on August 18, 2008. (See Exhibit B, a true and correct copy of the Pioneer/Global brokerage account statement of Claimant.)

Our records confirm that Global sent the redemption instructions to Pershing, LLC and the securities were transferred to Debtor on August 18, 2008 for redemption. We have confirmed that there is nothing else in Claimant's file concerning this transaction.

Global hereby confirms that no amounts were ever credited to Claimant's account 3lw-421616 for the Securities since the date the account was debited for redemption and the Securities sent to Debtor on August 18, 2008 until today (the "Applicable Period").

Furthermore, the Proof of Claim requirement for Euroclear blocking reference numbers was not communicated to Global until September 2009. Because the Securities had been turned over to Debtor for redemption on August 18, 2008, the Claimant's account did not show any Lehman securities in September 2009. Accordingly, Global did not request or receive any blocking number for this account.

Based upon the foregoing and my review of the applicable records, I hereby certify to the best of my knowledge that Global has not made any claim nor received any

payment on account of the Securities either directly, indirectly, for its own account or for the account of Claimant during the Applicable Period.

I declare under penalty of perjury pursuant to the laws of the United States of America that the foregoing is true and correct.
